New Haven

living and dining

Hand crafted from recycled spruce timbers, this collection celebrates the appealing imperfections of a previously used material. A rich chestnut patina for the tops is offset with a cool grey painted bottom, hand glazed to give this collection an old world Character. This collection has all the hallmarks of period American furniture, with the Double profiled top, profiled drawer and doors, and the classic Cup handle.

Chesapeake

living and dining

This collection is inspired by early 20th industrial hardware and furniture, the range's main features include sandcast turnbuckle components and exposed bolts. The collection's antique / aged appearance is enhanced by the use of split oak veneers combined with a hand glazed finish. Some of the pieces of furniture also include sliding doors, which takes its inspiration from early 20th century warehouse's.
